

You're
precious!

#precious

You are precious. God, your Creator, knows you. HE has made you wonderful and you are HIS desire.

HE is not indifferent towards you. He knows whether you are happy or sad right now,

- healthy or ill
- old or young
- lonely or surrounded by family and friends
- overworked or bored
- weak or strong
- ashamed or honored

HE knows your whole life and holds you in HIS hand.

God says:
You are respected
in My eyes.

The Bible: Isaiah 43:4

*Even more - God wants to have a
personal relationship with you.*

*That is why HE has done everything so
that nothing stands between you and
God. Not your fear, your doubts and
not even your guilt and shame. HE
sent Jesus Christ into this world to
overcome the separation between God
and men. HE takes you seriously, with
all questions and doubts. HE loves you
as you are!*

*Would you like to know
more about this?*

*If you want to know more,
we will gladly help you.
